ORDER:

The Finance (OP.I) Department in the reference read above, have stated that there are six posts of Accounts Officers in Finance Department and these posts are being filled from the category of Section Officers and P.S's to Secretary to Government. Since inception, this category has been treated as a post outside the regular line and only persons willing for posting were considered for appointment to this post. As a result sometimes juniors were appointed without following the principle of seniority.

2. In Finance Department the Desk Officers System has been in vogue. Under this system between the section and the Secretary to Government only one intermediate officer is positioned for expeditious disposal of files. As the post of Desk Officer is crucial it has been decided that the Desk Officer should not be less than the rank of an Assistant Secretary to Government.

3. The 9th Pay Revision Commission also examined this issue and advised the Government to convert the posts of Accounts Officer to that of Assistant Secretaries to Government.

4. The Finance (OP.I) Department has therefore requested for Up-gradation of six posts of Accounts Officers to that of Assistant Secretaries to Government.

5. Government after careful examination of the proposal hereby upgrade six posts of Accounts Officers to that of Assistant Secretaries to Government in Finance Department with immediate effect. Consequently six posts of Accounts Officers shall stand abolished.

6. The Finance (OP.I) Department shall take further necessary action accordingly.
